APP Training Outline

July 2011

Introduction
      Software Setup
      Layout
      Modules Setup

Configuration Module
      Setup
      Implementation

Store Module
      Setup
      Implementation

Aerodynamics Module
      Setup
      Implementation

Fuel Module
      Setup
      Implementation

Thrust Module
      Setup
      Implementation

Performance Module
      Setup
      Implementation

Mission Module
      Setup
      Implementation

Module Integration
      Time Integration
      Charts
      Analysis

Questions and Answers
