## Four New Aircraft CAD Models Available at our [Online Store!](#)

CAD models are available in 3 categories: Aircraft (\$99), Weapons (\$49) and Miscellaneous (\$19.95)

DARcorporation has nearly 100 aircraft models available for purchase. Types of aircraft include:

- Business Jets
- Commercial Airliners
- Fighter Jets
- GA Airplanes
- Gliders
- Military Bombers
- Military Transports
- UAVs

CAD models are 3D solids and available in multiple file formats. File formats include:

- .prt
- .igs
- .x\_t (parasolid)
- .stp
- .stl

The airplane CAD models were created by DARcorporation engineers using Siemens NX CAD.

The models were created based on publicly available, open source data (not manufacturer's data) from sources like Jane's All the World's Aircraft, Roskam's Airplane Design Series and publically available government reports.

Disclaimer: DARcorporation cannot guarantee the accuracy of these models due to limited public information.
